

# Pokemon GO Challenge Program!

The **Pokemon GO** challenge program is designed to get participants to our parks and other locations in the Town of Onondaga, as well as promote regular exercise through \*walking requirements set in the Challenge criteria. Participating Trainers must complete the listed challenges to be qualified for prizes listed in each tier. **Prizes are limited in supply**, so finish challenges as quickly as possible to ensure you get your full prize! This program is open to ALL AGES and we encourage families to participate together! Trainers should ensure they turn on “Adventure Sync” in their settings to maximize the steps they take each day! **Make sure you screenshot when you;** capture event pokemon, when you defeat a gym, and when you meet walking requirements (best to screenshot walking accomplishments on Sunday night!). **Screenshotting to document your progress is essential to the challenge criteria so make sure you do it!**

**The first 200 participants who complete the “Gym Challenge” will receive an exclusive “Parks” badge (actual metal pin badge!!!) to signify their participation in the challenge!**

**Participants may only win 1 pin, and cannot use multiple accounts to win prizes more than once.**

We would like to send a special thank you to **Niantic** and **Pokemon GO** for partnering with us on this event to provide prizes for this challenge which include;

- **Pokemon GO posters**
- **Harry Potter: Wizards Unite Posters**
- **Ingress Posters**
- **Niantic Drawstring Bags**

## *Gible*

### Pokemon/Name

This a "Gible". The pokemon presented for prizes must look like this, doesn't matter if it "shiny" or not. A "Shiny" is the same Pokemon but with special colors, usually rare, but gets no extra prize for our event. Some trainers add new names, that is OK and still qualifies them for prizes.

### Appraisal rating

Must have all 3 stars filled in. If anyone asks about 4-Stars or 'perfects' there is no extra prize for that.

### Catch date

(must say "caught" **NOT** "hatched")

- **Date must be June 6, 2021 for Gible**
- **Date must be between 6/1/21 and 6/17/21 for Shadow Zapdos**

Normal Gible

Shiny Gible

### **Shadow Zapdos**

*"Shadow" pokemon will have a purple aura and background*

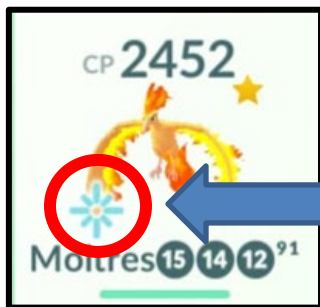

### **Shadow and purified Pokemon**

*"Shadow" pokemon are obtained through events and quests by defeating Team GO Rocket members. Beating the top Team Rocket member gets players Legendary pokemon, which will be "Shadow" by default. To "Purify" a "Shadow" pokemon, players must select this pokemon as a "buddy" and walk with it to obtain pokemon specific candies. The game designates the number of candies needed to purify a pokemon. Players may also use rare candies to gain the pokemon specific candies used for purification.*

### **Shadow Pokemon**

*"Shadow" pokemon will have this icon next to their picture in the storage screen*

### **Purified Pokemon**

*"Purified" pokemon will have this icon next to their picture in the storage screen*
